Representative Kupihea attempted to had power to enact a county act alone. The representative had a written argument which he proceeded to read, keeping his finger on the place when he was interrupted with points of order, which was quite often. The result was a remarkable speech, the end of walch was the Speaker ordering him to sit down. Kupihea's contention appeared to be that the Legislature must enact city and county laws all at once, or let the matter alone. had power to enact a county act alone.

There was no opposition to the resolution calling upon the attorney gen-eral for an opinion and it was adopted, just before the House adjourned for the day.

March, 1903. W. J. ROBINSON, Third Judge, First Circuit Court.

Important Reasons

Why Herring-Hall-Marvin Safe Co.'s Safes and Locks are the Best?

Representative Kupihea attempted to introduce in the House yesterday what he called a minority report of the county bill committee, recommending that the bill be indefinitely postponed. It was ruled out of order as there is no majority report as yet.

Kupihea thought the bill would encounter a mag in the Organic Act, and he proceeded to introduce a resolution calling on the attorney general for an opinion, as to whether the legislature had power to enact a county act alone.

LOCKS ARE THE BEST?

The concrete filling makes these safes absolutely Fire-Proof and positively Damp-Proof. The solid angle corners add greatly to their security in time of fire, and form the only solid corners made. The patent Bolt Work is superior to any in use and does not require the constant oiling, cleaning, and repairs that is acknowledged in other makes of safes. That although 600,000 of essential power to enact a county act alone. safes are now in use and many thousands have been tested by some of the most disastrous conflagrations in the United States, THERE IS NOT A SIN-GLE INSTANCE ON RECORD WHER EIN ONE OF THEM EVER FAILED TO PRESERVE ITS CONTENTS PER FECTLY. They make safes for county treasurers, county recorders, county clerks, jewelers. Hotels, residences, churches and corporations. We have a large assortment of safes on ha and will be pleased to show same.
